FAQ

Why are my grades not submitting?
• If you are entering any failing grades, e.g. “F” or “NC”, please enter the last date of attendance.
• Faculty Self-Service times out after 15 minutes. Make sure you submit frequently to avoid losing any unsaved work.
• For each page in your roster, make sure to SUBMIT every time you go to a different page.

When will grades be posted on the student’s account?
• Final grades will be posted the evening of the 14th. Final GPA calculation & academic status will be posted once end of term processing has been completed by the office. Academic transcripts will be ready at this time.

What if I miss the deadline?
• A “XX” grade placeholder will be entered for all missing grades. A Change of Grade Form is required to be submitted for each student within 30 days of the start of the next semester. Each form must be signed by the Dean and then submitted to the Registrar’s Office for processing. After 30 days if no form is submitted, the Dean in consultation with faculty will submit the course grade.
